## Your appeal rights.

Anytime you pay for a portion of your care, you have the right to question whether we calculated it correctly. We call that your appeal rights.

**Call us at 1-866-406-1182.**

- Ask for help understanding this notice.
- Talk through your portion and our portion of these service costs, including any denials.

If you think something should have been covered (in whole or in part), but it wasn't, or it wasn't covered in the way you think it should be — you can appeal it and we'll take another look.

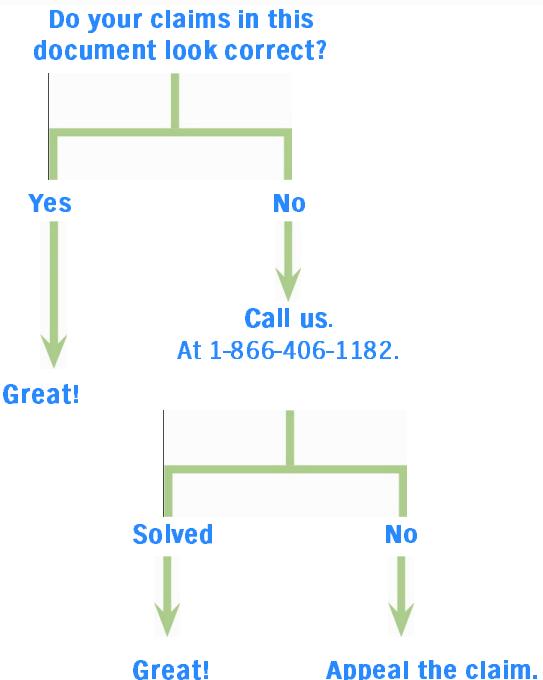

**Here's how you file an appeal.** Check your plan details for how long you have to file an appeal. Usually it's within 180 days of when we told you our decision. You or someone acting for you can file an appeal, but they need a signed authorization from you. You or they can file your appeal by:

Mailing Anthem a letter to:  
**Grievances and Appeals**  
PO Box 4310  
Woodland Hills, CA 91365-4310

If your claim was denied in whole or part due to medical necessity or lack of prior authorization then appeal by calling Accolade at 1-866-406-1182.

Be sure to include:

- Patient information: name, member ID, address, phone number, date of birth
- Claim information: date(s) of the service, your doctor's name/address/phone number
- Any other information about your claim that you think is important

If you need a decision fast, call us. You can ask for an "expedited appeal", and get an answer in about 72 hours, unless your benefits booklet or plan documents states otherwise. Use this option if:

- Your life or health is in danger
- In your doctor's opinion, your pain can't be adequately controlled while you wait
- You had emergency services, but haven't been discharged from the facility.

To ask for an expedited appeal or expedited review by someone outside our company — you, your doctor or someone acting for you can call the Member Services number on your ID card or by mailing to the address provided for appeals.

**Ask for more information on your claim — it's free.** Call us to get billing, diagnosis or treatment codes and their meanings, or any other information we used to decide your claim, anytime. This includes any new or additional evidence or reasons for the decision on your claim. If we decided that any of the services are experimental or aren't medically necessary, or used a guideline, criteria or clinical rationale in making our decision, you can get a copy of it free of charge.

If you appeal, we'll do a review and give you a written decision within 30 calendar days from the date we received your appeal request. Check your benefits booklet to see if it gives a different time limit. If you still don't feel our response is right, or if you don't hear back from us in time, you may be able to ask for a review from someone outside our company, an independent third party. Their decision then is final.

For questions about your rights or for help, call Employee Benefits Security Administration at **1-866-444-EBSA (3272)**.
